2022 ANNUAL MEETING OF STOCKHOLDERS
June 9, 2022

eFFECTOR THERAPEUTICS, INC.
142 North Cedros Avenue, Suite B
Solana Beach, California 92075

April 20, 2022

Dear Stockholder:

You are cordially invited to attend the Annual Meeting of Stockholders (the "Annual Meeting") of eFFECTOR Therapeutics, Inc., a Delaware corporation (the "Company") at 1:00 p.m. Pacific Time on Thursday, June 9, 2022. The Annual Meeting will be a completely virtual meeting, which will be conducted via live webcast.

We have elected to take advantage of Securities and Exchange Commission rules that allow companies to furnish proxy materials to their stockholders by providing access to these documents on the Internet instead of mailing printed copies. Those rules allow a company to provide its stockholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of the Annual Meeting. Most of our stockholders will not receive printed copies of our proxy materials unless requested, but instead will receive a notice with instructions on how they may access and review our proxy materials on the Internet and how they may cast their vote via the Internet. If you would like to receive a printed or e-mail copy of our proxy materials, please follow the instructions for requesting the materials in the Notice of Internet Availability that is being sent to you.

The Notice of Annual Meeting of Stockholders and Proxy Statement on the following pages describe the matters to be presented at the Annual Meeting. Please see the section entitled "Who Can Attend the Annual Meeting of Stockholders?" of the proxy statement for more information about how to attend the virtual-only meeting.

Whether or not you attend the Annual Meeting online, it is important that your shares be represented and voted at the Annual Meeting. Therefore, I urge you to promptly vote and submit your proxy by phone, via the Internet, or, if you received paper copies of these materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope, which requires no postage if mailed in the United States. If you have received our Notice of Internet Availability of Proxy Materials, the instructions regarding how you can access your proxy materials and vote are contained in that notice. If you have received written proxy materials, the instructions regarding how you can access your proxy materials and vote are contained on the proxy card. If you decide to attend the Annual Meeting, you will be able to vote online, even if you have previously submitted your proxy. If you hold your shares through a bank or broker, you will need a proxy from your bank or broker to vote your shares online at the Annual Meeting.

Thank you for your support.

Sincerely,

/s/ Stephen T. Worland, Ph.D.

Questions and Answers about the Annual Meeting of Stockholders

Who is entitled to vote on matters presented at the Annual Meeting?

The Record Date for the Annual Meeting is April 13, 2022. You are entitled to vote on the matters presented at the Annual Meeting if you were a record holder at the close of business on the Record Date. Each outstanding share of Common Stock is entitled to one vote for all matters before the Annual Meeting. At the close of business on the Record Date, there were 41,395,352 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Common Stock is our only class of stock entitled to vote.

What is the difference between being a “Record Holder” and holding shares in “Street Name”?

If, on the Record date, your shares were registered directly in your name then you are a stockholder of record.

If, on the Record Date, your shares were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting.

Am I entitled to vote if my shares are held in “Street Name”?

Yes. If your shares are held in street name, these proxy materials, along with instructions on how to vote your shares, are being provided to you by your brokerage firm, bank, dealer or other similar organization. As the beneficial owner, you have the right to direct your brokerage firm, bank, dealer or other similar organization how to vote your shares, and the brokerage firm, bank, dealer or other similar organizations is required to vote your shares in accordance with your instructions. If your shares are held in street name, you may not vote your shares in person at the Annual Meeting, unless you obtain, and present at the Annual Meeting, a legal proxy from your brokerage firm, bank, dealer or other similar organization.

How many shares must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting for any business to be conducted. Under Delaware law and our Amended and Restated Bylaws (the “Bylaws”), the presence at the Annual Meeting online, or by proxy, of the holders of a majority in voting power of the Common Stock issued and outstanding and entitled to vote, on the Record Date will constitute a quorum for the transaction of business at the Annual Meeting. The inspector of election will determine whether a quorum is present and will tabulate the votes cast at the Annual Meeting.

How can I attend the Annual Meeting?

As noted above, we have decided to hold the Annual Meeting entirely online this year. You may attend the Annual Meeting only if you are a record holder or beneficial owner of our Common Stock as of the Record Date. If you are a record holder you are entitled to vote at the Annual Meeting. If you hold your shares in street name you must obtain a valid proxy from your brokerage firm, bank, dealer or other similar organization to vote at the Annual Meeting. To attend and participate in the Annual Meeting, you will need the Control Number included in your Internet Notice, your proxy card or on the instructions that accompanied your proxy materials. If your shares are held in “street name,” you should contact your bank or broker to obtain your Control Number or otherwise vote through the bank

or broker. To be admitted to the Annual Meeting and vote your shares, you must register to attend the annual meeting at www.proxydocs.com/EFTR and provide the Control Number by 2:00 p.m. Pacific Time on June 7, 2022. After completion of your registration, further instructions, including a unique link to access the annual meeting, will be emailed to you.

This year's stockholder question and answer session will include questions submitted in advance of the annual meeting. You may submit a question in advance of the meeting as a part of the registration process. Questions pertinent to meeting matters and that are submitted in accordance with our Rules of Conduct for the annual meeting will be answered during the meeting, subject to applicable time constraints. Questions and answers may be grouped by topic and substantially similar questions may be grouped and answered once. In order to promote fairness, efficient use of time and in order to ensure all stockholders are responded to, we will respond to up to two questions from a single stockholder.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present at the scheduled time of the Annual Meeting, (i) the Chairperson of the Annual Meeting or (ii) the holders of a majority of the shares entitled to vote, present at the virtual meeting, or represented by proxy, at the virtual meeting are authorized by our Amended and Restated Bylaws to adjourn the Annual Meeting until a quorum is present or represented.

What does it mean if I receive more than one Internet Notice or more than one set of Proxy Materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each Internet Notice or set of proxy materials, please submit your proxy by phone, via the Internet or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

How do I vote?

With respect to the election of directors, you may either vote "For" all the nominees to the Board or you may "Withhold" your vote for any nominee you specify. With respect to the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm, you may vote "For," "Against" or "Abstain" from voting.

Stockholders of Record: Shares Registered in Your Name

If you are a stockholder of record, there are several ways for you to vote your shares. Whether or not you plan to attend the virtual Annual Meeting, we urge you to vote by proxy prior to the Annual Meeting to ensure that your vote is counted.

- Via the Internet: You may vote at www.proxypush.com/EFTR, 24 hours a day, seven days a week, by following the instructions provided in the Internet Notice. You will need to use the Control Number included in your Internet Notice, your proxy card or on the instructions that accompanied your proxy materials to vote via the internet.
- By Telephone: You may vote using a touch-tone telephone by calling (866) 366-1485, 24 hours a day, seven days a week. You will need to use the Control Number included in your Internet Notice, your proxy card or on the instructions that accompanied your proxy materials to vote by telephone. Votes submitted by telephone must be received by 12:59 p.m., Pacific Time, on June 9, 2022.

- **By Mail:** If you request printed copies of the proxy materials by mail, you may vote using your proxy card by completing, signing, dating and returning the proxy card in the self-addressed, postage-paid envelope provided. If you properly complete your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed.
- **At the Virtual Annual Meeting:** You may vote during the virtual annual meeting through www.proxydocs.com/EFTR. To be admitted to the annual meeting and vote your shares, you must register to attend the annual meeting at www.proxydocs.com/EFTR by 2:00 p.m. Pacific Time on June 7, 2022 and provide the Control Number included in your Internet Notice, your proxy card or on the instructions that accompanied your proxy materials. After completion of your registration, further instructions, including a unique link to access the Annual Meeting, will be emailed to you.

Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Agent

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received voting instructions from that organization rather than directly from us. Please check with your bank, broker, or other agent and follow the voting instructions they provide to vote your shares. Generally, you have three options for returning your proxy.

- **By Method Listed on Voting Instruction Card:** Please refer to your voting instruction card or other information provided by your bank, broker or other agent to determine whether you may vote by telephone or electronically on the Internet, and follow the instructions on the voting instruction card or other information provided by your broker, bank or other agent. A large number of banks and brokerage firms offer Internet and telephone voting. If your bank, broker or other agent does not offer Internet or telephone voting information, please follow the other voting instructions they provide to vote your shares.
- **By Mail:** You may vote by signing, dating and returning your voting instruction card in the pre-addressed envelope provided by your broker, bank or other agent.
- **At the Virtual Annual Meeting:** To vote online during the virtual Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker or bank to request the proxy form authorizing you to vote the shares. You must also register to attend the Annual Meeting at www.proxydocs.com/EFTR and provide the Control Number included in your Internet Notice, your proxy card or on the instructions that accompanied your proxy materials. After completion of your registration, further instructions, including a unique link to access the annual meeting, will be emailed to you.

Can I change my vote after I submit my Proxy?

Yes. If you are a record holder, you may revoke your proxy and change your vote any time before the proxy is voted at the Annual Meeting:

- by submitting a duly executed proxy bearing a later date than your prior proxy;
- by granting a subsequent proxy through the Internet or telephone;
- by giving written notice of revocation to the Corporate Secretary of eFFECTOR prior to or at the Annual Meeting; or
- by voting online at the Annual Meeting.

Your most recent proxy card or telephone or Internet proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy.

If your shares are held in street name, you may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker, or you may vote virtually at the Annual Meeting by obtaining a legal proxy from your bank or broker and submitting the legal proxy along with your ballot at the Annual Meeting.

Who will count the votes?

A representative from Mediant Communications, Inc. is expected to tabulate the votes and an employee of the Company is expected to be our inspector of election and will certify the votes.

What if I do not specify how my shares are to be voted?

If you are a record holder and you indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board, then your shares will be voted at the Annual Meeting in accordance with the Board's recommendation on all matters presented for a vote at the Annual Meeting. Similarly, if you are a record holder and submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board. The Board's recommendations are indicated on page 1 of this proxy statement, along with the description of each proposal in this proxy statement.

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, then, the organization that holds your shares may generally vote your shares in their discretion on "routine" matters but cannot vote on "non-routine" matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, that organization will inform the inspector of election that it does not have the authority to vote on that matter with respect to your shares. This is generally referred to as a "broker non-vote."

What are broker non-votes and do they count for determining a quorum?

Shares represented by proxies that reflect a broker non-vote will be counted as present for purposes of determining the presence of a quorum. As discussed above, broker non-votes occur when shares held by a broker in "street name" for a beneficial owner are not voted with respect to a particular proposal because (1) the broker has not received voting instructions from the beneficial owner and (2) the broker lacks discretionary voting power to vote those shares on a particular matter. A broker has discretionary power to vote shares without instruction from the beneficial owner on routine matters, such as the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm. Thus, broker non-votes are not expected on that proposal. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on non-routine matters. Broker non-votes on the election of directors, which is considered a non-routine matter, will have no effect because they are not considered votes cast, and the two directors that receive the highest number of votes will be elected.

What is an Abstention and how will votes Withheld and Abstentions be treated?

Shares of common stock held by persons attending the Annual Meeting but not voting, and shares represented by proxies that reflect withheld votes or abstentions as to a particular proposal, will be counted as present for purposes of determining the presence of a quorum. A "vote withheld," in the case of the proposal regarding the election of directors, or an "abstention," in the case of the ratification of the appointment of Ernst & Young LLP, represents a stockholder's affirmative choice to decline to vote on a proposal. Votes withheld have no effect on the election of directors, as the two directors that receive the highest number of votes will be elected, and abstentions are not considered to be a vote cast and will have no effect on the ratification of the appointment of Ernst & Young LLP.

How many votes are required for the approval of the proposals to be voted upon and how will Abstentions and Broker Non-Votes be treated?

Proposal	Votes Required	Effect of Votes Withheld / Abstentions and Broker Non-Votes
Proposal 1: Election of Directors	The plurality of the votes cast. This means that the two nominees receiving the highest number of affirmative “FOR” votes will be elected as Class I directors.	Votes withheld and broker non-votes will have no effect.
Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of a majority of the votes cast for or against the matter.	Abstentions will have no effect. We do not expect any broker non-votes on this proposal.

Will any other business be conducted at the Annual Meeting?

We currently know of no other business that will be presented at the Annual Meeting. If any other matter properly comes before the stockholders for a vote at the Annual Meeting, however, the proxy holders named on the Company’s proxy card will vote your shares in accordance with their best judgment.

Where can I find the voting results of the Annual Meeting of Stockholders?

We plan to announce preliminary voting results at the Annual Meeting and we will report the final results in a Current Report on Form 8-K, which we intend to file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Proposals To Be Voted On

Proposal 1—Election of Directors

At the Annual Meeting, two (2) Class I directors are to be elected to hold office for a three-year term expiring at the Annual Meeting of Stockholders to be held in 2025 and until such director’s successor is elected and qualified or until such director’s earlier death, resignation or removal. Based on the recommendation of the Nominating and Corporate Governance Committee, the Board has nominated Kristen Harrington-Smith and Stephen T. Worland, Ph.D. for re-election as Class I directors at the Annual Meeting.

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the two nominees receiving the highest number of affirmative “FOR” votes will be elected as Class I directors. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

Our Amended and Restated Certificate of Incorporation (the “Charter”) and Bylaws provide that the authorized number of directors shall be fixed from time to time exclusively by resolution adopted by a majority of the Board. We currently have seven (7) authorized directors on our Board. As set forth in

our Charter, the Board is currently divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. The following table summarizes the class, independence and committee membership of our directors:

Name	Age	Position	Independent	Committee Membership
CLASS I DIRECTORS—Nominated for Re-election with a Term to Expire at the 2025 Annual Meeting				
Stephen T. Worland, Ph.D.	64	President, Chief Executive Officer and Director		
Kristen Harrington-Smith	49	Director	X	Compensation
CLASS II DIRECTORS—Terms to Expire at the 2023 Annual Meeting				
Brian M. Gallagher, Jr., Ph.D.	52	Chairman of the Board	X	Audit; Nominating and Corporate Governance
Chris Ehrlich	52	Director	X	Audit; Compensation (Chair)
John W. Smither	69	Director	X	Audit (Chair); Nominating and Corporate Governance
CLASS III DIRECTORS—Terms to Expire at the 2024 Annual Meeting				
Elizabeth P. Bhatt	54	Director	X	Nominating and Corporate Governance (Chair)
Barbara Klencke, M.D.	64	Director	X	Compensation

The division of our Board into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of our Company. Our directors may be removed only for cause and only by the affirmative vote of the holders of at least two-thirds of the voting power of the then-outstanding shares of capital stock entitled to vote in the election of directors.

In the event any of the nominees should become unable to serve, or for good cause will not serve, as a director, it is intended that votes will be cast for a substitute nominee designated by the Board or the Board may elect to reduce its size. The Board has no reason to believe that the nominees named below will be unable to serve if elected. Each of the nominees has consented to being named in this proxy statement and to serve if elected.

All of the persons whose names and biographies appear below are currently serving as our directors. Each of our directors brings to the Board significant leadership experience derived from their professional experience and service as executives or board members of other corporations and/or private equity and venture capital firms. The process undertaken by the Nominating and Corporate Governance Committee in recommending qualified director candidates is described below under “Board Diversity and Director Nomination Process.” Certain individual qualifications and skills of our directors that contribute to the Board’s effectiveness as a whole are described in the following paragraphs.

Vote required

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the nominees receiving the highest number of affirmative “FOR” votes will be elected as Class I Directors. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

The Board unanimously recommends a vote FOR the election of the two nominees for Class I directors.

Proposal 2—Ratification of Appointment of Independent Public Accounting Firm

Our Audit Committee has appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022. The Board has directed that this appointment be submitted to our stockholders for ratification. Although ratification of our appointment of Ernst & Young LLP is not required, we value the opinions of our stockholders and believe that stockholder ratification of our appointment is a good corporate governance practice.

Ernst & Young LLP also served as our independent registered public accounting firm for the fiscal years ended December 31, 2021 and 2020. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors, providing audit and non-audit services. A representative of Ernst & Young LLP is expected to attend the Annual Meeting, and to have an opportunity to make a statement and will be available to respond to appropriate questions from stockholders.

In the event that the appointment of Ernst & Young LLP is not ratified by the stockholders, the Audit Committee will consider this fact when it appoints the independent registered public accounting firm for the fiscal year ending December 31, 2023. Even if the appointment of Ernst & Young LLP is ratified, the Audit Committee retains the discretion to appoint a different independent registered public accounting firm at any time if it determines that such a change is in the interest of the Company.

Vote Required

This proposal requires the affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively. Abstentions are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal. Because brokers have discretionary authority to vote on the ratification of the appointment of Ernst & Young MG LLP, we do not expect any broker non-votes in connection with this proposal.

The Board unanimously recommends a vote FOR the Ratification of the Appointment of Ernst & Young LLP as our Independent Registered Public Accounting Firm.

The following table summarizes the fees of Ernst & Young LLP, our independent registered public accounting firm, billed to us for each of the last two fiscal years for audit services and billed to us in each of the last two fiscal years for other services:

Audit Committee Pre-Approval of Audit and Non-Audit Services

The Audit Committee has established a policy that all audit and permissible non-audit services provided by our independent registered public accounting firm will be pre-approved by the Audit Committee, and all such services were pre-approved in accordance with this policy during the fiscal year ended December 31, 2021. These services may include audit services, audit-related services, tax services and other services. The audit committee considers whether the provision of each non-audit service is compatible with maintaining the independence of our auditors. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. Our independent registered public accounting firm and management are required to periodically report to the audit committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date.

Report of the Audit Committee of the Board

The Audit Committee has reviewed the Company's audited financial statements for the fiscal year ended December 31, 2021 and has discussed these financial statements with management and the Company's independent registered public accounting firm. The Audit Committee has also received from, and discussed with, the Company's independent registered public accounting firm various communications that such independent registered public accounting firm is required to provide to the Audit Committee, including the matters required to be discussed by statement on Auditing Standards No. 1301 (Communications with Audit Committees), as adopted by the Public Company Accounting Oversight Board ("PCAOB"). The Audit Committee is not employed by the Company, nor does it provide any expert assurance or professional certification regarding the Company's financial statements. The Audit Committee relies, without independent verification, on the accuracy and integrity of the information provided, and representations made, by management and the Company's independent registered public accounting firm.

The Company's independent registered public accounting firm also provided the Audit Committee with a formal written statement required by PCAOB Rule 3526 (Communications with Audit Committees Concerning Independence) describing all relationships between the independent registered public accounting firm and the Company, including the disclosures required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence from eFFECTOR Therapeutics, Inc. The Audit Committee also considered whether the independent registered public accounting firm's provision of certain other non-audit related services to the Company is compatible with maintaining such firm's independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021. The Audit Committee and the Board also have recommended, subject to stockholder approval, the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2022.

This report of the Audit Committee is not "soliciting material," shall not be deemed "filed" with the SEC and shall not be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

Corporate Governance

General

The Board has adopted Corporate Governance Guidelines, a Code of Business Conduct and Ethics and charters for our Nominating and Corporate Governance Committee, Audit Committee and

Compensation Committee to assist the Board in the exercise of its responsibilities and to serve as a framework for the effective governance of the Company. You can access our current committee charters, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics in the "Corporate Governance" section of the "Investors" page of our website located at www.eFFECTOR.com, or by writing to our Secretary at our offices at 142 North Cedros Avenue, Suite B, Solana Beach, California 92075. Please note, however, that the information contained on the website is not incorporated by reference in, or considered part of, this proxy statement.

Director Independence

The Board currently consists of seven members. The Board has determined that all of our directors, other than Dr. Worland, are independent directors in accordance with the listing requirements of the Nasdaq Capital Market ("Nasdaq"). The Nasdaq independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq rules, the Board has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management. There are no family relationships among any of our directors or executive officers.

Board Diversity and Director Nomination Process

Our Nominating and Corporate Governance Committee is responsible for reviewing with the Board, on an annual basis, the appropriate characteristics, skills and experience required for the Board as a whole and its individual members. In evaluating the suitability of individual candidates (both new candidates and current members) for election or appointment, the Nominating and Corporate Governance Committee, in recommending candidates for election, and the Board will take into account many factors, including the following:

- personal and professional integrity, ethics and values;
- experience in corporate management, such as serving as an officer or former officer of a publicly-held company;
- experience as a board member or executive officer of another publicly-held company;
- strong finance experience;
- diversity of expertise and experience in substantive matters pertaining to our business relative to other board members;
- diversity of background and perspective, including, but not limited to, with respect to age, gender, race, place of residence and specialized experience;
- experience relevant to our business industry and with relevant social policy concerns; and
- relevant academic expertise or other proficiency in an area of our business operations.

Currently, the Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best maximize the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas.

Other than the foregoing, there are no stated minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may also consider such other factors as it may deem to be in the best interests of our company and our stockholders. The Nominating and Corporate Governance Committee does, however, believe it appropriate for at least one member of our Board to meet the criteria for an “audit committee financial expert” as defined by SEC rules, and that a majority of the members of our Board meet the definition of “independent director” under Nasdaq qualification standards. The Nominating and Corporate Governance Committee also believes it is appropriate for our Chairman and Chief Executive Officer to serve as a member of our Board.

The following Board Diversity Matrix presents our Board diversity statistics in accordance with Nasdaq Rule 5606, as self-disclosed by our directors.

Board Diversity Matrix (As of February 28, 2022)				
Total Number of Directors	7			
	Female	Male	Non-Binary	Did Not Disclose Gender
Part I: Gender Identity				
Directors	3	4	0	0
Part II: Demographic Background

Identification and Evaluation of Nominees for Directors

The Nominating and Corporate Governance Committee identifies nominees for director by first evaluating the current members of our Board willing to continue in service. Current members with qualifications and skills that are consistent with the Nominating and Corporate Governance Committee’s criteria for board of director service and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of our Board with that of obtaining a new perspective or expertise.

If any member of our Board does not wish to continue in service or if our Board decides not to re-nominate a member for re-election or if the Board decides to expand the size of the board, the Nominating and Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. The Nominating and Corporate Governance Committee generally polls our Board and members of management for their recommendations. The Nominating and Corporate Governance Committee may also review the composition and qualification of the boards of directors of our competitors and may seek input from industry experts or analysts. The Nominating and Corporate Governance Committee reviews the qualifications, experience and background of the candidates. Final candidates are interviewed by the members of the Nominating and Corporate Governance Committee and by certain of our other independent directors and executive management. In making its determinations, the Nominating and Corporate Governance Committee evaluates each individual in the context of our Board as a whole, with the objective of assembling a group that can best contribute to the success of our company and represent stockholder interests through the exercise of sound business judgment. After review and deliberation of all feedback and data, the Nominating and Corporate Governance Committee makes its recommendation to our Board.

The Nominating and Corporate Governance Committee evaluates nominees recommended by stockholders in the same manner as it evaluates other nominees. We have not received director candidate recommendations from our stockholders, and we do not have a formal policy regarding consideration of such recommendations. However, any recommendations received from stockholders will be evaluated in the same manner that potential nominees suggested by members of our Board, management or other parties are evaluated.

Under our Bylaws, a stockholder wishing to suggest a candidate for director should write to our Secretary and provide such information about the stockholder and the proposed candidate as is set forth in our Bylaws and as would be required by SEC rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. In order to give the Nominating and Corporate Governance Committee sufficient time to evaluate a recommended candidate and include the candidate in our proxy statement for the annual meeting, the recommendation should be received by our Corporate Secretary at our principal executive offices in accordance with our procedures detailed in the section below entitled “Stockholder Proposals.”

Communication from Stockholders

The Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our Secretary is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Secretary and Chairman of the Board consider to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications. Stockholders who wish to send communications on any topic to the Board should address such communications to the Board in writing: c/o Secretary, eFFECTOR Therapeutics, Inc., 142 North Cedros Avenue, Suite B, Solana Beach, California 92075.

Director Attendance at Annual Meetings

Although we do not have a formal policy regarding attendance by members of our Board at our Annual Meeting, we encourage all of our directors to attend.

Board Leadership Structure—Separate Chairman

The Board is currently led by its Chairman, Brian M. Gallagher, Jr., Ph.D. The Board recognizes that it is important to determine an optimal board leadership structure to ensure the independent oversight of management as we continue to grow. We separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting the strategic direction for our Company and the day-to-day leadership and performance of our Company, while the Chairman of the Board provides guidance to the Chief Executive Officer and presides over meetings of the full Board. We believe that this separation of responsibilities provides a balanced approach to managing the Board and overseeing our Company.

The Board has concluded that our current leadership structure is appropriate at this time. However, the Board will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

Role of Board in Risk Oversight Process

The Board has responsibility for the oversight of our risk management processes and, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our business and the steps we take to manage them. The risk oversight process

includes receiving regular reports from Board committees and members of senior management to enable the Board to understand our risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic and reputational risk.

The Audit Committee reviews information regarding liquidity and operations, and oversees our management of financial risks. Periodically, the Audit Committee reviews our policies with respect to risk assessment, risk management, loss prevention and regulatory compliance. Oversight by the Audit Committee includes direct communication with our external auditors, and discussions with management regarding significant risk exposures and the actions management has taken to limit, monitor or control such exposures. The Compensation Committee is responsible for assessing whether any of our compensation policies or programs has the potential to encourage excessive risk-taking. The Nominating and Corporate Governance Committee manages risks associated with the independence of the Board, corporate disclosure practices, and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks. Matters of significant strategic risk are considered by the Board as a whole.

Board Evaluation

Our Corporate Governance Guidelines require the Nominating and Corporate Governance Committee to oversee periodic assessments by the Board of the Board's performance. As provided in our Corporate Governance Guidelines, the Nominating and Corporate Governance Committee is responsible for establishing the evaluation criteria and implementing the process for such evaluation.

Code of Ethics

We have a written Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted a current copy of the code in the "Corporate Governance" section of the "Investors" page of our website located at www.eFFECTOR.com.

In addition, we intend to post on our website all disclosures that are required by law or the listing standards of Nasdaq concerning any amendments to, or waivers from, any provision of the code.

Attendance by Members of the Board of Directors at Meetings

There were 17 meetings of the Board during the fiscal year ended December 31, 2021. During the fiscal year ended December 31, 2021, each director attended at least 75% of the aggregate of all meetings of the Board, and each director attended at least 75% of meetings of the committees on which such director served during the period in which he or she served as a director.

Committees of the Board

The Board has established three standing committees—Audit, Compensation and Nominating and Corporate Governance—each of which operates under a charter that has been approved by the Board. All of the members of each of the Board's three standing committees are independent as defined under the Nasdaq rules. In addition, all members of the Audit Committee meet the independence requirements for Audit Committee members under Rule 10A-3 under the Securities Exchange Act of 1934 (the "Exchange Act").

The current members of each of the Board committees and committee Chairs are set forth in the following chart.

- (1) In accordance with SEC rules, this column reflects the aggregate grant-date fair value of the Old eFFECTOR option awards granted during 2020 computed in accordance with ASC Topic 718 for stock-based

compensation transactions. Assumptions used in the calculation of these amounts are included in Note 9 to our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2021 filed with the SEC on March 16, 2022. These amounts do not reflect the actual economic value that will be realized by the named executive officer upon the vesting of the stock options, the exercise of the stock options, or the sale of the Common Stock underlying such stock options.

- (2) In accordance with SEC rules, this column reflects the aggregate grant-date fair value computed in accordance with ASC Topic 718 for stock-based compensation transactions of the Earn-Out Shares that may be issuable to each named executive officer with respect to outstanding stock options held by the executive as of the consummation of the Business Combination if the Triggering Event occurs within the two years following the consummation of the Business Combination (the "Earn-Out Period"), subject to the executives' continued services through the time of such Triggering Event. The Earn-Out Shares will also be earned and issuable in the event of a change in control during the Earn-Out Period that results in the holders of our common stock receiving a per-share price equal to or in excess of \$20.00. The Earn-Out Shares are described below under "—Equity-Based Incentive Awards." We have determined that the contingent obligation to issue Earn-Out Shares to existing Old eFFECTOR option holders, including the named executive officers, falls within the scope of ASC Topic 718 for stock-based compensation transactions because the option holders are required to continue providing service until the occurrence of the Triggering Event. The fair value of the option holder Earn-Out Shares is recorded as share-based compensation over the derived service period of the Monte Carlo simulation valuation model using a distribution of potential outcomes on a monthly basis over the earn-out period using the most reliable information available. Assumptions used in the calculation of these amounts are included in Note 10 to our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2021 filed with the SEC on March 16, 2022.
- (3) Amounts reflect bonuses awarded to our named executive officers by our Board in recognition of annual performance and paid in cash as further described below in "—Bonus Compensation."
- (4) For 2021, amounts reflect (i) \$28,586, \$18,834, \$28,586 and \$28,586 in health and welfare insurance premium payments for Dr. Worland, Dr. Patel, Ms. McNulty and Mr. Byrnes, respectively, and (ii) \$3,366, \$1,173, \$1,677 and \$585 in group term life premiums for Dr. Worland, Dr. Patel, Ms. McNulty and Mr. Byrnes, respectively.

Narrative Disclosure to Compensation Tables

Base Salary

The compensation of the named executive officers is generally determined and approved at the beginning of each year or, if later, in connection with the commencement of employment of the executive, by our Board or the compensation committee. The following represent the base salaries which were effective for 2021 for the named executive officers following the consummation of the Business Combination. Each of our named executive officers received a base salary increase at the time of the Business Combination, as described below under "Employment Arrangements with Named Executive Officers."

Name	2021 Annual Base Salary (\$)
Stephen T. Worland, Ph.D.	550,000
Premal Patel, M.D., Ph.D.	490,000
Alana McNulty	400,000
Michael Byrnes	420,000

Bonus Compensation

We consider annual cash incentive bonuses to be an important component of our total compensation program and to provide incentives necessary to retain executive officers. Each of the named executive officers is eligible to receive an annual performance-based cash bonus based on a specified target annual bonus award amount, expressed as a percentage of the named executive officer's base salary.

The following represent the target percentages of base salary for 2021 for the named executive officers:

Name	2021 Target Percentage
Stephen T. Worland, Ph.D.	50%
Premal Patel, M.D., Ph.D.	40%
Alana McNulty	40%
Michael Byrnes	40%

Each of our named executive officers received a target bonus increase at the time of the Business Combination, as described below under “Employment Arrangements with Named Executive Officers.”

Bonuses for any one year are usually determined and paid in the first quarter of the following year. For 2021, our Board reviewed our corporate goals and, following such review, determined to pay annual bonuses to the named executive officers at 80% of target based on its assessment of our progress during 2021 relative to such goals, which were based on clinical, financial, regulatory and corporate development objectives. The 2021 annual bonuses paid to our named executive officers are reflected in the Summary Compensation Table above.

Equity-Based Incentive Awards

Our equity-based incentive awards are designed to align our interests and the interests of our stockholders with those of our employees and consultants, including the named executive officers. The Board is responsible for approving equity grants.

Prior to the consummation of the Business Combination, Old eFFECTOR maintained the 2013 Plan. Old eFFECTOR offered awards of stock options to purchase shares of its common stock to eligible service providers, including our named executive officers, pursuant to the 2013 Plan. In connection with the completion of the Business Combination and the adoption of the eFFECTOR Therapeutics, Inc. 2021 Incentive Award Plan (the “Incentive Plan”), no further awards were granted under the 2013 Plan.

All options are granted with an exercise price per share that is no less than the fair market value of our common stock on the date of grant of each award. Our stock option awards generally vest over a four-year period and may be subject to acceleration of vesting and exercisability under certain termination and change of control events.

Adjusted Awards

In 2021, in connection with the Business Combination, each outstanding option to purchase shares of eFFECTOR common stock held by the named executive officers was converted into an option to purchase shares of our Common Stock equal to the number of shares subject to such option prior to the consummation of the Business Combination multiplied by 0.09657 (rounded down to the nearest share), with the per share exercise price equal to the exercise price divided by 0.09657 (rounded up to the nearest cent). Such converted options shall remain subject to the same terms and conditions as set forth under the applicable option award prior to the conversion.

Executive Earn-Out Shares

In connection with the Business Combination, holders of stock options will be entitled to receive a pro rata share of up to 5,000,000 additional shares of Common Stock (the “Earn-Out Shares”), if, within a

two-year period following the signing date of the Merger Agreement (the “Earn-Out Period”), the closing share price of our Common Stock equals or exceeds \$20.00 over at least 20 trading days within a 30-day trading period (the “Triggering Event”) and the holder continues to provide services through the time of such Triggering Event. The Earn-Out Shares will also be earned and issuable in the event of a change in control during the Earn-Out Period that results in the holders of our Common Stock receiving a per-share price equal to or in excess of \$20.00. The Outstanding Equity Awards at Fiscal Year-End table below shows the number of Earn-Out Shares each named executive officer is eligible to earn in respect of outstanding stock options owned as of the consummation of the Business Combination.

Employment Arrangements with the Named Executive Officers

We are party to employment agreements with each of our named executive officers. - (4) The market value was computed using \$8.28 per share, which is the closing price per share of our Common Stock on December 31, 2021.
 - (5) Represents the Earn-Out Shares each named executive officer is eligible to receive with respect to outstanding stock options held by the executive as of the consummation of the Business Combination, if a Triggering Event occurs within the Earn-Out Period, and the executive continues to provide services through the time of such Triggering Event. The Earn-Out Shares will also be earned and issuable in the event of a change in control during the Earn-Out Period that results in the holders of our Common Stock receiving a per-share price equal to or in excess of \$20.00. The Earn-Out Shares are described above under “—Equity-Based Incentive Awards.”

Narrative Disclosure to Outstanding Equity Awards at Fiscal Year-End Table

The named executive officers did not exercise any stock option awards during the fiscal year ended December 31, 2021.

We did not engage in any re-pricings or cancellations or, other than as set forth above, modifications to any of our named executive officers' outstanding equity awards during the year ended December 31, 2021.

Other Elements of Compensation

Perquisites, Health and Welfare Benefits

The named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, group life, disability and accidental death and dismemberment insurance plans, in each case on the same basis as all of our other employees.

We generally do not provide perquisites or personal benefits to the named executive officers, except in limited circumstances. We do, however, pay the premiums for term life insurance and disability insurance for all of our employees, including the named executive officers. Our Board may elect to adopt qualified or non-qualified benefit plans in the future if it determines that doing so is in our best interests.

401(k) Plan

We provide a 401(k) plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax advantaged basis. Eligible employees are able to defer eligible compensation up to certain Code limits, which are updated annually. The 401(k) plan is intended to be qualified under Section 401(a) of the Code, with the related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan are deductible by us when made, and contributions and earnings on those amounts are not generally taxable to the employees until withdrawn or distributed from the 401(k) plan. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

Nonqualified Deferred Compensation

We do not maintain nonqualified defined contribution plans or other nonqualified deferred compensation plans. We may elect to provide our officers and other employees with non-qualified

defined contribution or other nonqualified deferred compensation benefits in the future if it determines that doing so is in our best interests.

No Tax Gross Ups

We do not make gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation or benefits paid or provided by us.

Director Compensation

The following table summarizes compensation received by our non-employee directors during the year ended December 31, 2021. Dr. Worland, our President and Chief Executive Officer, is also a member of our Board, but does not receive any additional compensation for his service as a director in addition to the compensation he received as an employee. Dr. Worland's compensation is described further above.

(2) In accordance with SEC rules, this column represents the aggregate grant-date fair value of option awards granted during 2021 computed in accordance with ASC Topic 718 for stock-based compensation transactions. Assumptions used in the calculation of these amounts are included in Note 9 to our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2021 filed with the SEC on March 16, 2022. These amounts do not reflect the actual economic value that will be realized by the director upon the vesting of the stock options, the exercise of the stock options, or the sale of the common stock underlying such stock

options. The table below shows the aggregate number of outstanding options held as of December 31, 2021 by each director.

Name	Number of Securities Underlying Options Outstanding at December 31, 2021
Brian Gallagher	40,000
John Smither	64,142
Jonathon Root	40,000
Laurence Lasky	2,222

- (3) In accordance with SEC rules, this amount reflects the aggregate grant-date fair value computed in accordance with ASC Topic 718 for stock-based compensation transactions of the Earn-Out Shares that may be issuable to Mr. Smither with respect to outstanding stock options held by him as of the consummation of the Business Combination if the Triggering Event occurs during the Earn-Out Period, subject to his continued services through the time of such Triggering Event. The Earn-Out Shares will also be earned and issuable in the event of a change in control during the Earn-Out Period that results in the holders of our common stock receiving a per-share price equal to or in excess of \$20.00. The Earn-Out Shares are described below under “—Equity-Based Incentive Awards.”

We have determined that the contingent obligation to issue Earn-Out Shares to existing Old eFFECTOR option holders, including the named executive officers, falls within the scope of ASC Topic 718 for stock-based compensation transactions because the option holders are required to continue providing service until the occurrence of the Triggering Event. The fair value of the option holder Earn-Out Shares is recorded as share-based compensation over the derived service period of the Monte Carlo simulation valuation model using a distribution of potential outcomes on a monthly basis over the earn-out period using the most reliable information available. Assumptions used in the calculation of these amounts are included in Note 10 to our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2021 filed with the SEC on March 16, 2022.

As the only non-employee director who held options upon the consummation of the Business Combination, Mr. Smither is eligible to receive a maximum of 3,560 Earn-Out Shares, subject to his continued service through the occurrence of the Triggering Event during the Earn-Out Period.

- (4) Dr. Lasky resigned as a member of our Board on November 1, 2021.
(5) Ms. Klencke was appointed as a member of our Board on November 1, 2021.
(6) Messrs. Geffken and Atwood and Ms. Kosacz and Loewy ceased serving on the Board at the time of the consummation of the Business Combination.

Director Compensation Program

In connection with the Business Combination, our Board approved a non-employee director compensation program (the “Director Compensation Program”). The Director Compensation Program provides for annual retainer fees and long-term equity awards for our non-employee directors.

The Director Compensation Program consists of the following components:

Equity Compensation

- Initial Awards: Each non-employee director who is initially elected or appointed to our Board following the effective date of the Director Compensation Program and those directors who were serving on our Board immediately following the consummation of the Business Combination shall be granted stock options to purchase 40,000 shares (each, an "Initial Award"). Each Initial Award will vest in equal monthly installments over three years beginning on the non-employee director's appointment to the Board, subject to the non-employee director's continued service through each such vesting date.
- Annual Awards: Each non-employee director who is serving on our Board as of the date of the annual meeting of our stockholders each calendar year beginning with calendar year 2022 shall be granted, on such annual meeting date, stock options to purchase 20,000 shares (each, an "Annual Award"). Each Annual Award will vest in full on the earlier to occur of (A) the first anniversary of the applicable grant date and (B) the date of the next annual meeting following the grant date, subject to the non-employee director's continued service through the applicable vesting date.

Non-employee directors elected for the first time within the six month period preceding an annual meeting or at an annual meeting will receive only an Initial Award and will not receive an Annual Award with respect to such annual meeting, unless otherwise determined by the Board in its discretion. In addition, each Initial Award and Annual Award shall vest in full immediately prior to the occurrence of a Change in Control, as defined in the Incentive Plan, to the extent outstanding at such time.

Compensation under our Director Compensation Program will be subject to the annual limits on non-employee director compensation set forth in the Incentive Plan, as described above.

Delinquent Section 16(A) Reports

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, officers and beneficial owners of 10% or more of our common stock to file reports with the SEC. We assist our directors and

officers by monitoring transactions and completing and filing these reports on their behalf. Based on our records and other information, we believe that all reports that were required to be filed under Section 16(a) during 2021 were timely filed, other than one Form 4 for Mr. Ehrlich that was filed late.

In computing the number of shares of common stock beneficially owned by a person and the percentage ownership of that person, we deemed to be outstanding all shares of common stock subject to options, warrants or other rights held by that person or entity that are currently exercisable within 60 days of April 13, 2022. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person. Certain Relationships and Related Party Transactions

The following is a summary of transactions entered into or existing since January 1, 2021 to which we have been a party in which the amount involved exceeded or will exceed \$120,000 (or, if less, 1% of

the average of our total assets amounts as of December 31, 2021), and in which any of our directors, executive officers or, to our knowledge, beneficial owners of more than 5% of our capital stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest, other than equity and other compensation, termination, change in control and other arrangements, which are described under "Executive and Director Compensation." We also describe below certain other transactions with our directors, executive officers and stockholders.

LWAC Related Person Transactions

Founder Shares

In October 2020, the Sponsor purchased 3,867,500 founder shares for an aggregate purchase price of \$25,000. LWAC effected a stock dividend in January 2021 of 1.17259212 shares of Class B common stock for each share of Class B common stock outstanding prior to the dividend. Also in January 2021, as a result of the underwriters exercising their over-allotment option in part, LWAC's initial holders forfeited 23,750 founder shares. As a result, LWAC's initial stockholders hold 4,511,250 founder shares. The number of founder shares was determined based on the expectation that the founder shares would represent 20% of the aggregate of LWAC's founder shares, placement shares and issued and outstanding public shares after the IPO. The founder shares represented 100% of LWAC's issued and outstanding shares of Class B common stock.

Pursuant to a letter agreement dated January 7, 2021, LWAC's initial holders agreed not to transfer, assign or sell any of their founder shares (except to permitted transferees) (i) with respect to 25% of such shares, until consummation of the Business Combination, (ii) with respect to 25% of such shares, until the closing price of LWAC's Class A common stock exceeds \$12.00 for any 20 trading days within a 30-trading day period following the consummation of the Business Combination, (iii) with respect to 25% of such shares, until the closing price of LWAC's Class A common stock exceeds \$13.50 for any 20 trading days within a 30-trading day period following the consummation of the Business Combination, and (iv) with respect to 25% of such shares, until the closing price of LWAC's Class A common stock exceeds \$17.00 for any 20 trading days within a 30-trading day period following the consummation of the Business Combination or earlier, in any case, if, following the Business Combination, LWAC completes a liquidation, merger, capital stock exchange, reorganization or other similar transaction that results in all of LWAC's public stockholders having the right to exchange their shares of Common Stock for cash, securities or other property. Notwithstanding the foregoing, in connection with the Business Combination, LWAC's initial holders may transfer, assign or sell their founder shares with our consent to any person or entity that agrees in writing to be bound by the transfer restrictions set forth in the prior sentence.

In connection with the execution of the Merger Agreement, the Sponsor entered into the Sponsor Support Agreement with LWAC and Old eFFECTOR, pursuant to which LWAC agreed to vote all of its shares in favor of the Merger and that it would not sell, assign or otherwise transfer any of its shares, subject to certain exceptions as permitted under the Sponsor Support Agreement.

In connection with the execution of the Merger Agreement, the Sponsor also entered into the Sponsor Lock-up Agreement with LWAC, pursuant to which, subject to certain limited exceptions, the Sponsor has agreed not to transfer any of its shares during the period beginning on the Closing Date and ending on the earlier of (x) 270 days after the Closing Date, (y) the date on which the price of our Common Stock equals or exceeds \$12.00 for any 20 trading days within any 30 trading day period following the 90th day after the Closing Date, and (z) a Change of Control (as defined in the Sponsor Lock-up Agreement). The transfer restrictions set forth in the Sponsor Support Agreement and the Sponsor Lock-up Agreement supersede and replace the transfer restrictions set forth in the letter agreement, dated January 7, 2021, between LWAC, the Sponsor and the directors and officers of LWAC.

In connection with the Closing, Old eFFECTOR, LWAC and the Sponsor entered into a sponsor letter agreement pursuant to which the Sponsor agreed to forfeit 1,000,000 shares of LWAC Class B common stock and as a result, the Sponsor received 3,511,250 shares of Common Stock upon conversion of the Class B common stock (of which 300,000 are subject to vesting if, on or prior to August 25, 2024, the price of shares of Common Stock equals or exceeds \$15.00 per share for a period of at least 20 trading days out of 30 consecutive trading days ending on the trading day immediately prior to the date of determination). Following the Closing, Sponsor holds an aggregate of 4,056,250 shares of Common Stock, including the 3,511,250 shares received upon conversion of the Class B common stock and 545,000 shares of LWAC Class A common stock held prior to the Closing.

Private Placement

Simultaneously with the IPO, the Sponsor purchased an aggregate of 545,000 units at a price of \$10.00 per unit for an aggregate purchase price of \$5.5 million ("LWAC Private Placement Units"). Each LWAC Private Placement Unit consists of one placement share and one-third of one Private Placement Warrant to purchase one share of LWAC's Class A common stock exercisable at \$11.50. The proceeds from the LWAC Private Placement Units and the proceeds from the IPO (initially totaling \$175.0 million) were held in LWAC's trust account. There will be no redemption rights or liquidating distributions from the trust account with respect to the placement shares or Private Placement Warrants.

The Private Placement Warrants are identical to the warrants included in the units sold in the IPO, except that if held by the Sponsor or its permitted transferees, they (a) may be exercised for cash or on a cashless basis, (b) are not subject to being called for redemption and (c) they (including our Common Stock issuable upon exercise of the warrants) may not, subject to certain limited exceptions, be transferred, assigned or sold by the holders until 30 days after the consummation of the Business Combination.

Promissory Note—Related Party

Prior to the closing of the IPO, the Sponsor loaned LWAC \$60,375 for expenses related to its formation and the IPO. The loan was non-interest bearing, unsecured and due on the earlier of March 31, 2021 or the closing of the IPO. The loan was repaid on January 19, 2021.

Related Party Loans

In order to fund working capital requirements and finance transaction costs in connection with an intended initial business combination, the Sponsor or an affiliate of the Sponsor or certain of LWAC's officers and directors could, but were not obligated to, loan LWAC funds as may be required. Upon consummation of the Business Combination, it would repay such loaned amounts. In the event that the Business Combination did not close, LWAC could use a portion of the working capital held outside the Trust Account to repay such loaned amounts but no proceeds from the Trust Account would be used for such repayment. Up to \$1.5 million of such loans could be convertible into units at a price of \$10.00 per unit at the option of the lender at the time of the Business Combination. The units would be identical to the LWAC Private Placement Units. The terms of such loans, if any, had not been determined and no written agreements exist with respect to such loans. LWAC did not expect to seek loans from parties other than the Sponsor or an affiliate of the Sponsor, as LWAC did not believe third parties will be willing to loan such funds and provide a waiver against any and all rights to seek access to funds in the Trust Account. There were no working capital loans outstanding as of the Closing Date.

Registration Rights

Pursuant to a registration rights agreement entered into by LWAC on January 7, 2021, the holders of LWAC's founder shares, the LWAC Private Placement Units (including any securities contained

therein) and the warrants that may be issued upon conversion of loans made by the Sponsor or one of its affiliates were entitled to registration rights to require LWAC to register a sale of any of our securities held by them (in the case of the founder shares, only after conversion to LWAC's Class A common stock). In connection with the Closing, we, Old eFFECTOR, the Sponsor and certain stockholders of Old eFFECTOR who received shares of Common Stock pursuant to the Merger Agreement entered into an Amended and Restated Registration Rights Agreement (the "Amended and Restated Registration Rights Agreement"), which amended and restated in its entirety the original registration rights agreement.

Subscription Agreements

In connection with the execution of the Merger Agreement (and with respect to one investor, on August 4, 2021), we entered into the Subscription Agreements, pursuant to which the investors party thereto agreed to purchase an aggregate of 6,070,003 shares of our Common Stock for a purchase price of \$10.00 per share and an aggregate purchase price of \$60.7 million. We consummated the PIPE Investment at the Closing of the Business Combination.

Administrative Services

Commencing on January 12, 2021, LWAC paid an amount equal to \$10,000 per month to the Sponsor or its affiliate or designee for office space, administrative and shared personnel support services provided to LWAC. The administration services agreement terminated in connection with the Closing.

Trust Account Indemnification

Locust Walk Partners agreed that, if the trust account was liquidated without the consummation of a business combination, it would indemnify LWAC to the extent any claims by a third party for services rendered or products sold to LWAC reduce the amount of funds in the Trust Account to below \$10.00 per public share, except for any claims by any third party who executed a waiver of any and all rights to seek access to the Trust Account, regardless of whether such waiver is enforceable, and except for claims arising from LWAC's obligation to indemnify the underwriters of the IPO pursuant to the underwriting agreement. LWAC did not independently verify whether Locust Walk Partners had sufficient funds to satisfy its indemnity obligations,

LWAC did not ask Locust Walk Partners to reserve for such obligations, and LWAC believed that the only assets of Locust Walk Partners were securities of LWAC. Therefore, LWAC could not assure you that Locust Walk Partners would be able to satisfy those obligations. LWAC believed the likelihood of Locust Walk Partners having to indemnify the Trust Account was limited because LWAC endeavors to have all third parties that provide products or services to LWAC execute agreements with LWAC waiving any right, title, interest or claim of any kind in or to monies held in the Trust Account.

PIPE Investment—Engagement of Locust Walk Securities as Placement Agent

In connection with the Business Combination, LWAC entered into an Engagement Letter and Statement of Work for Services, each dated as of April 19, 2021 with Locust Walk Securities, an affiliate of Locust Walk Partners, LLC and an entity associated with certain officers and directors of LWAC, pursuant to which Locust Walk Securities agreed to serve as the placement agent with respect to the PIPE Investment and provide LWAC with general advice and assistance towards concluding such financing. On August 23, 2021, LWAC and Locust Walk Securities entered into an amendment to the Engagement Letter and Statement of Work for Services. LWAC paid Locust Walk Securities a success fee equal to \$250,000 upon the consummation of the PIPE Investment.

Indemnification under the Certificate of Incorporation and Amended Bylaws; Indemnification Agreements

Our bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by the DGCL, subject to certain exceptions contained in the bylaws. In addition, the certificate of incorporation provides that our directors will not be liable for monetary damages for breach of fiduciary duty.

We also entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the indemnitees with contractual rights to indemnification, and expense advancement and reimbursement, to the fullest extent permitted under the DGCL, subject to certain exceptions contained in those agreements.

Research Collaboration and License Agreement with Pfizer Inc.

In December 2019, we entered into the Pfizer Agreement, to research and develop small molecules that target eIF4E. Pursuant to the Pfizer Agreement, we granted Pfizer a worldwide, exclusive license, with a right to sublicense, under certain of our patents, know-how, and materials to use, develop, manufacture, commercialize, and otherwise exploit compounds or products targeting eIF4E, for any and all indications. Pursuant to the Pfizer Agreement, Pfizer granted us an option to co-fund and co-promote a single such licensed product under a profit and loss share arrangement in the United States. The option can be exercised prior to a specified time before the first patient is expected to be enrolled in a clinical trial intended to support an NDA for marketing approval.

Under the Pfizer Agreement, eFFECTOR was responsible for initial research in collaboration with Pfizer, and Pfizer is responsible for all further development of this asset, including submission of an IND and conducting all clinical development and commercialization activities. Pfizer is obligated to use

commercially reasonable efforts to develop and seek regulatory approval for a licensed product, and commercialize a licensed product where Pfizer has received regulatory approval, in the United States and certain other countries. In the event we exercise our co-funding and co-promotion option, a joint steering committee will oversee the development plan and budget of the co-developed product, and we will have the responsibility to conduct a portion of product marketing presentations to healthcare providers.

Pursuant to the Pfizer Agreement, we received an upfront, one-time, non-refundable, non-creditable payment of \$15 million dollars from Pfizer. Pfizer was obligated to reimburse us for costs incurred for research performed, up to a specified cap in the low double digit millions. Upon the achievement of specified early development and regulatory milestones, Pfizer will be obligated to pay us up to \$80 million dollars in the aggregate. For other non-early stage development milestones Pfizer's payment obligations to us depend upon whether we have exercised our co-funding and co-promotion option: 1) if we do not exercise our option, non-early stage development payments may total up to \$165 million dollars in aggregate, and 2) if we do exercise our option, non-early stage development payments may total up to \$70 million dollars in aggregate. Upon the achievement of specified sales milestones, Pfizer is also obligated to make tiered milestone payments of up to \$235 million dollars in aggregate. On a product-by-product basis, Pfizer will also be required to pay us high single-digit percentage royalties on annual net sales of each licensed product. If we exercise our co-promotion and co-funding option, royalty payments will exclude sales in the United States and we will share with Pfizer profits from sale of the relevant licensed product in the United States.

Unless earlier terminated, the Pfizer Agreement will continue in effect until the expiration of all Pfizer payment obligations. Except in the U.S. if we exercise our co-funding and co-promotion option, following expiration of the obligation to pay royalties for any licensed product in a given country and payment of all amounts due, Pfizer's license to such licensed product in such country will become fully paid-up, perpetual, irrevocable and royalty-free. Pfizer may terminate the Pfizer Agreement for convenience upon written notice. Either party may terminate the Pfizer Agreement if an undisputed material breach by the other party is not cured within a defined period of time, or upon notice for insolvency-related events of the other party that are not discharged within a defined time period.

Related Person Transaction Policy

Our board of directors has adopted a written related person transaction policy, setting forth the policies and procedures for the review and approval or ratification of related-person transactions. This policy will cover, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, where the amount involved exceeds the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person. In reviewing and approving any such transactions, our audit committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction and the extent of the related person's interest in the transaction.

2023 Stockholders' Proposals

Stockholders who intend to have a proposal considered for inclusion in our proxy materials for presentation at our 2023 Annual Meeting of Stockholders pursuant to Rule 14a-8 under the Exchange Act must submit the proposal to our Secretary at our offices at 142 North Cedros Avenue, Suite B,

Solana Beach, California 92075 in writing not later than December 23, 2022, which is 120 days prior to the one-year anniversary of the mailing date of the proxy statement for the Annual Meeting, unless the date of the 2023 Annual Meeting of Stockholders is changed by more than 30 days from the anniversary of our Annual Meeting, in which case the deadline for such proposals will be a reasonable time before we begin to print and send our proxy materials. These proposals must comply with the requirements as to form and substance established by the SEC in Rule 14a-8 of the Exchange Act for such proposals in order to be included in the proxy statement.

Stockholders intending to present a proposal at the 2023 Annual Meeting of Stockholders, but not to include the proposal in our proxy statement, or to nominate a person for election as a director, must comply with the requirements set forth in our Bylaws. Our Bylaws require, among other things, that our Secretary receive written notice from the stockholder of record of their intent to present such proposal or nomination not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the anniversary of the preceding year's annual meeting. Therefore, the Company must receive notice of such a proposal or nomination for the 2023 Annual Meeting of Stockholders no earlier than the close of business on February 9, 2023 and no later than the close of business on March 11, 2023. The notice must contain the information required by the Bylaws, a copy of which is available upon request to our Secretary. In the event that the date of the 2023 Annual Meeting of Stockholders is more than 30 days before or more than 60 days after June 9, 2023, then our Secretary must receive such written notice not earlier than the close of business on the 120th day prior to the 2023 Annual Meeting and not later than the close of business on the 90th day prior to the 2023 Annual Meeting and the 10th day following the day on which public disclosure of the date of such meeting is first made by the Company. SEC rules permit management to vote proxies in its discretion in certain cases if the stockholder does not comply with this deadline and, in certain other cases, notwithstanding the stockholder's compliance with this deadline. Stockholders are advised to review our Bylaws which also specify requirements as to the form and content of a stockholder's notice.

In addition to satisfying the foregoing requirements under our Bylaws, to comply with the universal proxy rules (once they become effective), shareholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 10, 2023.

We reserve the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these or other applicable requirements.
